Likewise, Robin, very good to see you. My statement is here <https://www.bluegreenalliance.org/resources/testimony-of-zoe-lipman-at-epa-nhtsa-hearing-on-fuel-economy-standards/>, and attached. We will be submitting more detailed technical comments as well by Oct 26.

Also online are the statements that other BGA staff made in Dearborn and Pittsburgh here:

Hi Zoe,

It was great to see you at in Dearborn. Can you send me a copy of your statement? I'm gathering testimonies and will make sure they get into the docket.

Best,
Robin
